Potty Training Agreement

I, _____, have been notified and understand that my child, _____, must be completely potty trained before August 1st in order to attend PK3, PK4 or K at St. Andrew the Apostle. My child will be able to sit on a toilet seat, wipe themselves completely, and pull up his/her own pants. I am aware that pull-ups are not allowed, and that potty accidents should be rare occurrences by the end of July.
