Safe Environment

All students in PreK3-7th grade that attend an Archdiocesan school must receive the youth safe environment training. All safe environment courses will be taught during the school day by the trained religion teacher during religion class. All information regarding the safe environment curriculum for children is located on the Archdiocese of New Orleans' Website.

If you do not want your child to receive this training, please come to the school office to fill out a safe environment refusal form.

Concessions will be sold this Friday, October 5th, during recess.

The STEM lab is opening this week. THANK YOU to all of our donors.

Help St. Andrew win 1st place & \$3,000 this year in the Crescent City Fall Classic Contest!

We've won 2nd place for 3 years in a row...let's regain that 1st place title!

You can register to run or simply support by purchasing a t-shirt.

PTA News

We are excited to announce that our fall gift wrap sale begins this week. Proceeds from the sale benefit the PTA and are used to directly impact the students and faculty of St. Andrew! Our PTA does so much to support the learning in the classroom and our faculty throughout the year. Thank you in advance for your support of the fall gift wrap sale.

Date: October 2nd – October 16th

Dad's Club

The next dad's club meeting is on **October 15th at 7:00 PM** in Immaculata Hall (cafeteria). Hope to see you there!

Congratulations to 2S and 4M! Both homerooms had the winning Superfest raffle ticket sales and will be treated to pizza during lunch on Friday, October 5th during lunch.

Kudos Korner

The newly established Girl Scout Third Grade Brownie Troop, Troop 46502, performed community service by volunteering to run the Soccer Dart game during the SAS Superfest. Nice Work, girls!! Thank you for all of your help.

Saturday, October 27th

A Minute with Ms. Bates

Reminder: All after care payments are due the last Thursday of each month. Please make sure all payments are on time. Thank you for your cooperation.

Counselor's Corner

Thank you to all of our 7th grade families who attended High School Information Night! You helped make it a successful event with over 70 students in attendance! If you were unable to attend the event and would like to receive a packet, please email Ms. Neel at Ineel@sasno.org.

Please see the attached brochures for "Study Skills and Test Taking Skills Course" for 4th-7th grade students and "High School Placement Test Prep Course" for 7th grade students.

Upcoming High School Open House Dates:
Cabrini High School (October 4th)
Mount Carmel Academy (October 11th)

Curriculum Connections

This week in Ms. Schoonenberg's 2nd grade class, students were having fun working together on learning to add 2-digit numbers together. As one student spun their paper clip, their partner wrote the numbers down. Together, they were able to solve their problems by using different strategies that have been taught so far.
