Tuesday Tidbit

Counselor's Corner

It is most important to make sure we are developing kind and compassionate children. Each night, ask: "Who did you help today, and who helped you?" Asking this regularly encourages everyone to focus on giving and gratitude.

Calling all 7th grade parents

Please see the attached flyer High School Information Night (September 26th). You don't want to miss this very informative event!

If you have any questions or concerns, please don't hesitate to contact me at neel@sasno.org or call me at (504)394-4171.

Curriculum Connections

It has been quite an awesome first few weeks of school! Learning is taking place all over the campus. The middle schoolers are starting off the year strong with Book Talks. At the start of each class, students present a book to the class using a book they are currently reading in hopes to inspire and motivate their classmates to dive into the same new and exciting book.

What's Happening...
